

0800-0900	Registration				
0900-1030	Plenary				
0900	Welcome to Country <i>Wurundjeri Land & Compensation Cultural Heritage Council Aboriginal Corporation</i>				
0910	Welcome from ACM <i>Dr Alison (Ali) Teate, ACM President</i>				
0930	Keynote Presentation <i>Professor Jane Sandall CBE, King's College</i>				
1015	Looking to the Future <i>Kelley Lennon, ACM Chief Midwife</i> <i>Chair: Dr Alison (Ali) Teate, ACM President</i>				
1030-1100	Morning Tea Exhibition Marquee				
1100-1230	Concurrent Session A				
	Plenary Hall <i>Crafting the Future Midwife</i>	Surfers Paradise 1 <i>Re-centering Women in Maternity Care Design</i>	Surfers Paradise 2 <i>Beyond the Clinical Gaze: Fear, Trauma, Choice and Alternative Birth Narratives</i>	Surfers Paradise 3 <i>Evidence That Moves Practice Forward</i>	Coolangatta Room Workshops (pre registration only)
1100	Growing the Midwifery Workforce: Understanding Midwifery Professional Experience Placement Capacity <i>Kristy Watson, Federation University & Katrina Thomas, Monash Health</i>	Measuring what Matters to Australian Mothers: Co-designing world-first tools for safe maternity care <i>Dr Lauren Spark, Curtin University & Prof Zoe Bradfield, Curtin University, KEMH</i>	Women's Experiences of Care When Planning to Freebirth in Australia <i>Caitlyn Atkinson, Edith Cowan University</i>	Advancing antimicrobial stewardship in midwifery: The role of rapid GBS testing <i>Dr Laura Gabriel, University of the Sunshine Coast</i>	1100 Foundation for Alcohol Research & Education
1120	Students' and Women's experiences of a Student-Led Midwifery Clinic <i>Assoc Prof Amanda Carter & Marnie Icim, Griffith University</i>	Disrupting weight stigma in maternity care through narrative portraiture <i>Anna Robins, University of QLD, Assoc Prof Lauren Kearney, University of QLD & RBWH</i>	Bridging the gap to the freebirth world and the "system" <i>Sarah Handby, Sunshine Coast University Hospital</i>	Mode of birth following induction of labour in nulliparous women: A Victorian cohort study <i>Professor Christine East, La Trobe University</i>	

1140	Strengthening the First 2000 Days: Midwifery student placements in Child and Family Health Services <i>Dr Samantha Nolan, GCHHS/WNCS-GCUH & Hannah McCallum, Griffith University</i>	Small Ripples, Big waves: Women's experiences of declining recommended maternity care in rural Aus <i>Melissa Woodhouse-Adolphus, Charles Sturt University</i>	A Scoping Review of Verbal and Non-Verbal Communication Practices During Labour and Birth <i>Laura Whitburn, La Trobe University</i>	CHOICES: Birth after caesarean section <i>Fiona Kane, KEMH</i>	1145 TBC
1200	Rethinking Numerical Birth Requirements <i>Alicia Drake, Royal Brisbane and Women's Hospital & Assoc Prof Lauren Kearney, University of QLD & RBWH</i>	Evidence shaping tomorrow's midwifery: Co-designing maternity research from the ground up <i>Dr Elyse Prussing, University of Newcastle</i>	Shaping tomorrow's midwifery through use of the Birth Map antenatally <i>Jane Palmer, Westmead Hospital</i>	Innovating for impact: a pathway to eliminating congenital syphilis <i>Elizabeth Milroy, Office of the Chief Midwife Officer, QLD</i>	
1220	Innovation in emergency training: Embedding shared decision making in scenario-based learning <i>Jessica Pope, QLD Health</i>	Future Focused Midwifery: Preparing a Workforce Equipped for Gender and Sexual Diversity <i>Alicia Carey, Charles Sturt University</i>	Separated from access, support and choice: Women's experiences of negative and traumatic births <i>Sophie Van Limbeek, University of Tasmania</i>	Midwives Experiences of Providing Pregnancy Associated Cancer Care in Australia <i>Lucy Armitage, University of Canberra</i>	
1225	Exploring midwifery students' perspectives of workplace culture during clinical placement. <i>Sharon Mumford, La Trobe University</i>	Who Defines Woman-Centred Care? Reclaiming Meaning Through Women's Voices <i>Shitani Buckley, University of QLD</i>	ADHD Across the Women's Lifespan: Implications for Midwifery Practice and Perinatal Care <i>Kati Krebs, University of Southern Queensland</i>	Shaping Midwifery Scope of Practice; An Australian Neonatal Hypoglycaemia CPG appraisal <i>Kylie Hodges, University of Canberra</i>	
1230-1330	Lunch Exhibition Marquee 1245-1315 Annual ACM Professoriate Forum Meeting <i>Prof Zoe Bradfield</i> Coolangatta Workshop Room				

1330-1500	Concurrent Session B				
	Plenary Hall <i>Rethinking Rural and Remote Midwifery</i>	Surfers Paradise 1 <i>Designing Better Intrapartum Care Through Practice and Place</i>	Surfers Paradise 2 <i>Walking Together: Strengthening First Nations Midwifery Futures</i>	Surfers Paradise 3 <i>Care Culture and Collective Support</i>	Coolangatta Room Workshops (pre registration only)
1330	Building a Sustainable Rural Maternity Workforce; Implementing A Part-Time MGP Option <i>Jessica Stone & Kate Fay, Dalby Hospital</i>	One year on: Outcomes from a quality improvement project to increase safe access to water immersion <i>Dr Valerie Slavin, GCHHS/WNCS/GCUH</i>	From Classroom to Community: A Student Midwife's Experience in a Remote First Nations Setting <i>Ellie Warne, Southern Cross University</i>	Shaping Tomorrow by Listening Today: A National Workforce Case Study on Midwifery Trauma, Retention, <i>Kelli Ann Zakharoff, Midwife/Author</i>	1330 How midwives' and consumer research has shaped the future of perinatal mental health screening for Australia: Insights, advancements and outcomes. <i>Dr Nicole Hight and Melissa Grant, Centre of Perinatal Excellence (COPE)</i>
1350	Shaping a Greener Future for Midwifery: Carbon Footprint Evaluation of a Regional Australian MGP <i>Dr Elysse Prussing, Newcastle University</i>	Shaping Birthplace: How Environment Design Supports the Future of Midwifery Practice <i>Grace McLean & Assoc Prof Elizabeth Nerwnham, Global Birth Environ. Design Network</i>	First Nations midwifery student financial supports in Australia <i>Stacey Butcher, Western Sydney University</i>	"Telling, Not Asking: How power shapes decision-making in antenatal care <i>Dr Madeline Hawke, Deakin University</i>	
1410	What Sustains Private Homebirth Practice? A Synthesis of PPM's Experiences <i>Tani Paxton & Assoc Prof Lauren Kearney, University of Queensland</i>	From First Birth to Registration: Perineal Outcomes Across Midwifery Training <i>Beata Gidasewski, Westmead Hospital</i>	TBC	Caring for Midwives: Exploring Peer support in midwifery practice in an Australian hospital <i>Professor Gina Kruger, Victoria University</i>	1415 Real Practice, Real Impact: Spinning Babies™ Case Studies for Midwives <i>Meg Austin</i>
1430	Optimising Midwifery Group Practice Workforce in Rural and Remote contexts <i>Michelle O'Connor, QLD Health</i>	Midwives in the Pelvic Space: Reclaiming Preventative Care as Core Midwifery Practice <i>Laura Mathias, Tall Trees Pelvic Care</i>	Birthing on Country Co-Design on Bundjalung Country Walking Alongside as a Non-First Nations Midwife <i>Suzanne Weir & Deekeala (Lala) Grew, Bullinah Aboriginal Health Service</i>	Teaching the Heart of Teamwork: Preparing Midwives for Safer, Kinder Practice <i>Dr Carolyn Hastie, Griffith University</i>	
1450	Shaping tomorrow's rural midwifery; skills, scope and sustainability in the bush <i>Jane Reynolds, Curtin University</i>	Contextual complexities of intrapartum communication <i>Laura Gawne, La Trobe University</i>	Co-design of a culturally appropriate resource for First Nations women on Palm Island <i>Kerry Foster, QLD Health</i>		

1455	Strengthening Rural Maternity Care Through Endorsement: Implementing a Public Midwifery Endorsement <i>Jessica Stone, Dalby Hospital</i>	A Cervical Membrane Sweep: Women's experiences within an Induction Pathway <i>Maria Lohan, Royal Hospital for Women</i>	Working towards safe and sacred care: A toolkit to support perinatal care for First Nations parents <i>Storm Henry, The University of Melbourne</i>	Informed choices for labour and birth: the role of Decision Aids in Maternity care <i>Assoc Prof Lauren Kearney, University of Queensland</i>	
1500-1530		Afternoon Tea Exhibition Marquee			
1530-1700		Plenary			
1530	Keynote Presentation <i>Khadija Gbla, FGM lived experience survivor and advocate</i>				
1615	First Nations Workshop TBC <i>Chair: Jodie Atkinson, ACM Vice President</i>				
1700-1830		Networking Drinks Grand Poolside Lawn			

0730-0830						Student Breakfast sponsored by Huggies <i>Assoc Prof Vanessa Scarf, UTS & Eleanor Tomlinson, ACM Midwifery Advisor</i>					
0830-0900		Registration									
0900-1030		Plenary									
0900		The GPT Revolution: A Deep Dive into the AI Revolution <i>Adam Spencer, AI Expert, Science Communicator & Comedian</i> <i>Chair: Michelle Warriner, ACM Board Director</i>									
1030-1100						Morning Tea Exhibition Marquee					
1100-1230		Concurrent Session C									
	Plenary Hall <i>By Mob, For Mob: First Nations Models of Midwifery Care</i>	Surfers Paradise 1 <i>Continuity Under Pressure: Making Models Work in the Real World</i>	Surfers Paradise 2 <i>Digital Futures Reshaping Midwifery</i>	Surfers Paradise 3 <i>Early Pregnancy, Extended Practice and Care Across the Continuum</i>	Coolangatta Room Workshops (pre registration only)						
1100	Walking in our power – Tjurtu <i>Melina Connors, QLD Health</i>	Sustaining Midwifery Continuity of Care: Insights from North Queensland Midwives <i>Mariann Hadland, Townsville Hospital and Health Service</i>	Is virtual pregnancy care safe and effective? Building the evidence for the Australian context <i>Sarah Murray, University of Technology Sydney</i>	The future of acute early pregnancy care in Australia: Midwives leading change <i>Nicole Freeman, Curtin University and King Edward Memorial Hospital</i>	1100 AI in Practice: A Hands-On Workshop for Research and Clinical Work <i>Adam Spencer</i>						
1120	The Growing Deadly Families Birth Registration Project <i>Catherine Scott, QLD Health</i>	Scope Doesn't Implement Itself: Lessons from a Tertiary Maternity Service <i>Kieran Froese, Mater Mothers Hospital</i>	Closing the Distance: Extending Breastfeeding Journeys Through Telehealth in WA <i>Tarryn Sharp & Kate Reynolds, WA Country Health Service</i>	Leading the Continuum: A Midwifery-Led Perinatal Loss and Pregnancy After Loss Service <i>Cherie Martin & Emma Porter, Mater Mothers Hospital</i>	This practical workshop is designed to help you confidently get started with AI in both research and clinical settings. You'll explore how tools like generative AI can support everyday tasks, from quickly summarising research papers and drafting grant applications to improving clinical documentation and patient communication. Through guided, hands-on examples, you'll learn how to write effective prompts, assess outputs, and apply AI safely and responsibly in your work.						
1140	Gudjaga Gunyahlamia – Waminda's journey to design and build an Aboriginal-led Birth Centre <i>Melanie Briggs, Waminda South Coast Women's Health and Wellbeing Aboriginal Corporation</i>	From Challenge to Change: Reinventing Midwifery Continuity for Today's Workforce <i>Gemma Macmillan & Kathleen Goldsmith, Office of the Chief Midwife Officer QLD</i>	Best Practice vs Reality: Insights from a Time-Motion Study of Antenatal Care in the Digital Age <i>Elsa Suk Fan Chan, Gold Coast University Hospital</i>	No Missed Opportunities: Expanding Midwifery Scope to Prevent Cervical Cancer <i>Julianne Nissen, Centenary Hospital for women and Children</i>							

1200	Mob caring for Mob – Increasing the Aboriginal Midwifery workforce to upscale Birthing on Country <i>Dr Rebecca Coddington & Jade Jackson, Waminda South Coast Women's Health and Wellbeing Aboriginal Corporation</i>	Shaping the Future Midwifery Workforce: Supporting Midwives' Wellbeing <i>Dr Sarah Hay, Edith Cowan University</i>	Beyond Geography: Telehealth Childbirth Education Shaping Equitable Rural Midwifery <i>Kasey Biggar, WA Country Health Service</i>	TBC	<p>1145</p> <p>What happens when a concern about a midwife is raised with Ahpra?</p> <p><i>Penelope Marshall, Amy Hargreaves, Karen McNeil</i></p> <p>This interactive workshop provides an overview of how midwives are regulated in Australia and regulatory decision making in practice.</p> <p>Working through mock scenarios, participants will take on the role of Board members to consider regulatory options and possible outcomes. We will unpack these decisions and consider how it relates to the requirements under the National Law.</p>
1220	Culturally Grounded, Community-Led Care: How Waminda's Birthing on Country is improving outcomes <i>Yu Gao, Molly Wardaguga Institute for First Nations Birth Rights, Charles Darwin University</i>	A route to better outcomes: Exploring perinatal outcomes and satisfaction associated with MAPS <i>Georgia Griffin, Curtin University</i>	A Qualitative Descriptive Study Exploring Student Experiences of Video-Recorded Clinical Skills Asse <i>Peta Cornell, Curtin University</i>	Listening to Midwives: Themes from the NT's first bereavement care survey <i>Julie Healey, NT Health</i>	
1225	Replanting the Birthing Trees: culturally-responsive, trauma-informed continuity of maternity care <i>Prof Cath Chamberlain, University of Melbourne</i>	Two years on – Publicly Funded Homebirth on the Sunshine Coast <i>Hayley Ersser, Sunshine Coast University Hospital</i>	Designing for impact: enhancing student and staff experience and workflow optimisation in midwifery <i>Dr Glenda Hawley, University of Queensland</i>	Shaping Tomorrow's Midwifery: Building Workforce Capability through ADHD-Informed Education <i>Kati Krebs, University of Southern Queensland</i>	
1230-1330					<p>Lunch</p> <p>Exhibition Marquee</p>

1330-1500		Plenary			
1330	Optimising Oxytocin in Labour and Birth: Essential Information for Tomorrow's Midwives <i>Dr Sarah Buckley</i> Elsevier Caroline Homer Writers' Prize <i>Editor in Chief, Women and Birth</i>				
1415	Keynote Presentation <i>Liz Wilkes, QLD Chief Midwife</i>				
1435	Rural Health Update <i>Professor Linda Deravin, Rural Health Commissioner</i>				
1445	ACM Midwifery Awards <i>Chair: Alisha Thompson, ACM Board Director</i>				
1500-1530		Afternoon Tea Exhibition Marquee			
1530-1700		Concurrent Session D			
	Plenary Hall <i>Confronting Power, Racism and Inequity in Maternity Care</i>	Surfers Paradise 1 <i>Holding Complexity: Mental Health, Identity and Inclusive Perinatal Care</i>	Surfers Paradise 2 <i>Shaping the First Days of Life</i>	Surfers Paradise 3 <i>Expanding the Edges of Practice</i>	Coolangatta Room Workshop (pre registration only)
1530	Filling the Gaps: Internationally Qualified Midwives and Obstetricians in Rural and Remote Australia <i>Yordanka Berg Blanc, Alice Springs Hospital</i>	Rethinking Care in Medically Complex Pregnancies: Implementation Processes, Professional Experiences <i>Naomi Homel, Mater Mothers Hospital</i>	Lactation and breastfeeding training programs in Australia: a scoping review <i>Tanisha Springall, First Peoples Midwifery Lecturer, Griffith University</i>	Shaping Tomorrow's Midwifery: Unlocking Scope, Unleashing Potential <i>Assoc Prof Megan Cooper, University of QLD</i>	1530 Decolonising Maternity Care Melanie Briggs and Cleone Wellington, Waminda This workshop will provide an introduction to decolonising maternity care, educating non-Indigenous Australians on the colonial structures and systemic racism that affect the everyday lives of Aboriginal and Torres Strait Islander peoples, while addressing outdated stereotypes, white privilege and white fragility.
1550	Reimagining Midwifery Education: A Consumer-Led Model for Respectful Maternity Care <i>Alecia Staines, Maternity Consumer Network</i>	"Holding the woman and the complexity": Clinical Case Studies from an Obstetric Medicine MGP <i>Abby Murphy & Naomi Homel, Mater Mothers Hospital</i>	Neonatal Early Warning Tools for the Early Identification of Clinical Deterioration in Newborns <i>Ryan McDonald, Griffith University</i>	'Advanced Midwifery Practice': Is it working to our full scope or a designated role? <i>Prof Jenny Fereday, Adelaide University & Dr Paula Medway, SA Health</i>	
1610	Racism and discrimination in maternity care in Australia—let's speak out! <i>Dr Glenys Frank, University of Canberra</i>	Beyond the Binary <i>Gemma Simms, Curtin University</i>	"We don't want this" ... "We don't trust this" ... "We need to keep this": Neonatal Postnatal Support <i>Prof Linda Sweet, Western Health/Deakin University</i>	The Maryborough Model: Rural Maternity Care Close to Home Through Endorsed Midwifery Practice <i>Penny Browne, Maryborough District Health Service</i>	

1630	Transforming Maternity Care Through Education: Embedding Respectful Maternity Care <i>Amy Rigano & Kelly Stegmeyer, Northern Adelaide Local Health Network</i>	Psychological Preparation for Motherhood <i>Christy Manning, University of the Sunshine Coast</i>	Midwifery Leadership in Neonatal Hypoglycaemia: Innovating Practice to Protect Early Breastfeeding <i>Kylie Hodges, University of Canberra</i>	Women's experiences and perceptions of the first publicly funded homebirth service in Queensland <i>Dr Bethan Townsend, Sunshine Coast Health</i>	1615 Perineal repair introductory workshop <i>Dr Sara Kindberg Adelskov & Melanie Francis, Gynzone</i> Diagnosing and suturing a simple perineal trauma or an episiotomy is considered as part of a midwife's scope of practice . Learn to diagnose perineal lacerations in this innovative blended learning approach for midwives.
1650	Overcoming Barriers and Harnessing Facilitators: Respectful Maternity Care in Low-Income countries <i>Ephram Roga, Griffith University</i>	Rewriting the opening act of a child disability story <i>Ingerlise Svaleng, 21 Gifts</i>	Confidence Without Complexity? Re-shaping Prenatal Breastfeeding Education for Tomorrow's Midwifery <i>Rachel Austin, Griffith University</i>	Women's Experience of Uterine Rupture - What they say <i>Ashlee Anslow, Western Sydney University</i>	
1655	Young mothers' experiences of maternity care: A synthesis of qualitative research <i>Sally Hargreaves, University of Tasmania</i>	Unapologetically Biased: Reflexive Insights from a Feminist Perspective on Birth Trauma <i>Sophie Van Limbeek, University of Tasmania</i>	Every Baby, Every Family, Every Feed — Building Baby Friendly Futures in Western Sydney <i>Michelle Simmons, Westmead Hospital and Western Sydney University</i>	Shaping the rural midwives of the future through support <i>Cath Ryan, Western NSW LHD</i>	
1830 - 1900 1900 - 2300	Pre Dinner Drinks Gala Dinner Plenary Hall				

0730-0830		Breakfast sponsored by Philips (pre registration required)			
0830-0900		Registration			
0900-1030		Plenary			
0900	Experiences of Local Rural Maternity Services <i>Anne Bousfield</i>				
0930	Keynote Presentation <i>Kelly Langford, MAMA Midwifery</i>				
1000	Centering health equity in practice: midwifery approaches within street health outreach settings in Australia. <i>Sonia Martin, OneBridge</i> <i>Chair: Associate Professor Amanda Carter, ACM Board Director</i>				
1030-1100		Morning Tea Exhibition Marquee
